STATINTL

Thanks again for arranging our session with [REDACTED]
[REDACTED] on October 24. His presentation to the students
participating in our American Studies Program was a sig-
nificant contribution to our two-month long study of
Soviet-American relations. I appreciate your cooperative
spirit.

I was also grateful that you were able to accompany
[REDACTED] enabling you to get a first-hand view of
the American Studies Program.

Sincerely,

John A. Bernbaum
